

*The National Center for Mobility Management is a national technical assistance center funded through a cooperative agreement with the Federal Transit Administration, and operated through a consortium of three national organizations—the American Public Transportation Association, the Community Transportation Association of America, and Easterseals Inc. (An accessible version of this brochure can be downloaded at [www.nc4mm.org/about-us/](http://www.nc4mm.org/about-us/).)*

## Promoting Customer-Centered Mobility Strategies

that advance good health, economic vitality,  
self-sufficiency, & community
